

Silverbell Road

GORET ROAD TO GRANT ROAD
FINAL DESIGN

Silverbell Road

is a critical regional transportation link that serves the west and northwest portions of the Tucson metropolitan area. This major transportation improvement project was approved by voters in May 2006 as part of the Regional Transportation Authority Plan. The voter-approved Plan calls for Silverbell Road to be improved to a 4-lane divided desert parkway to include pedestrian facilities, bike lanes, drainage improvements and new native landscaping. This roadway improvement project will promote mobility and provide improved capacity and safety.

Design Open House

The Tucson Department of Transportation (TDOT), the Pima County Department of Transportation (PCDOT), and the Regional Transportation Authority (RTA) invite you to an Open House to review the preliminary 60% design plans for the roadway improvements on Silverbell Road, between Goret Road and Grant Road. Representatives from TDOT, PCDOT, RTA and the Project Team will be available to discuss the overall project and answer any questions you might have. Your input is important to us.

Individuals with disabilities who require special accommodations are requested to contact Genna at genna@kaneenpr.com or (520) 885-9009. Requests should be made as soon as possible to allow time to arrange the accommodations.

Thursday, May 23, 2013

5:30 – 7:00 p.m.*

***Brief Presentation at 5:45 p.m.**

**El Rio Neighborhood Center
1390 W. Speedway Blvd.
(at Speedway and Riverview,
east of El Rio Golf Course)**

This is a project of the Regional Transportation Authority. The voter-approved, \$2.1 billion RTA plan will be implemented through 2026. Details about the full plan are available at www.RTAmobility.com. The Regional Transportation Authority has a nine-member board with representatives from local, state and tribal governments. This project will be managed by the City of Tucson.
